

Winners of 2011 PHOTOGRAPHIC COMPETITION

Held June 6-26th

Thank you to all the entrants for participating in the 2011 Friends Photographic Competition.

Tim Newberry, an experienced nature photographer, teacher of photography at TAFE and a judge for the Adelaide Royal Show Photography Exhibition, once again freely gave his time to judge the competition. We thank him very much for his enthusiasm and willingness to share his knowledge and expertise. He commented that he was very impressed with the overall quality of the photographs and that in the three years he has been involved with the Friends Photographic Competition the standard of entries has continued to rise. The winning entries will appear in the Friends of the Botanic Gardens of Adelaide 2012 Calendar due to be released in early October. Thank you to Peter Philips and the SA Photographic Federation for the loan of the display boards. Thank you also to Liz Gobolos, Judith Baile, Helena Jenkinson, Tim Skilton and North Lodge volunteers for helping to set up the display and manning the exhibition.
